Dia daoibh,

The Emerald Centre in association with The Irish Studies Workshop, Leicestershire GATE, Naomh Pdraig GAA , Comhaltas and the Government of Ireland Emigrant Support Programme, is seeking ways to assist members of the Irish and Traveller communities through this difficult time. To this end, we will be introducing a system of book loans from The Irish Studies Library based at The Emerald Centre and Dacha Library in Syston, so that you will have access to a regular flow of reading tailored to your own needs during the lock down. Someone from the Emerald Centre will call in the next few days to ask whether you require any books and what your reading preferences are.

In conjunction with this service, we will be sending out regular activity packs. These packs will include, music CDs, audio books, postcards, gifts, arts and crafts and a variety of other items designed to help make life seem a little more pleasurable during the Convid 19 crisis. The first activity pack will be delivered on Thursday 7th May alongside regular food deliveries.

If you do not receive a call in the next few days, or wish to discuss any detail of these services, please feel free to call the numbers below or e-mail to the following address smbanbury@hotmail.com and we will assist you with any of your queries.
